

**To: The Honorable William M. Byrne Jr.
Senior District Judge
United States District Court**

We, the people who have signed this petition, feel any further incarceration of Todd Bertrang or Robyn Faulkinbury to be a grave miscarriage of justice. In this instance we ask for leniency in their sentencing. We hereby request that in your wisdom you overlook the Federal sentencing guidelines to give Mr. Bertrang and Miss Faulkinbury the absolute minimum sentence possible. We believe that in doing this true justice will be best served. In the interest of Mr. Bertrang and Miss Faulkinbury, as well as the people of the United States of America, thank you for your consideration in this matter.
